LOT REMOVAL

CHECKOUT DATES: Thursday, September 28th thru Monday, October 16th, 9am to 4pm. First come, first served. Weekends by appointment only – please call Rudy at 323-314-2315 if you wish to set up a weekend time.

Removal of lots is entirely the responsibility of the bidder. We do not package, load or ship. There will be no equipment, like forklifts, onsite to facilitate your lot removal. It is up to you to hire a rigger or otherwise provide for the removal of your items.

We do not work with, or endorse any particular riggers. However, riggers sometimes approach us to provide us with their info to pass onto buyers. The riggers who have done so at this sale are:

Mac Green -- B&G Transportation & Rigging -- mac@bgrigging.com

Jimmy Robinson -- 501-703-1897 -- robinson_contractors@yahoo.com

Joe Adair -- Adair's Rigging and Transport -- joe@adairsrigging.com

Additionally, if you are moving items out of the country, please understand that we do not act as customs brokers. You will have to facilitate any and all paperwork involved with removing your items across borders.

IMPORTANT: Due to buyers being lax about removing their items in a timely fashion, we are implementing a \$500 per day fee for entry into the facility every day past the time allotted for check out.

GOOD LUCK AND HAPPY BIDDING!
