LOT REMOVAL

CHECK-OUT WILL BE ANNOUNCED CLOSER TO THE SALE DATE.

Removal of lots is entirely the responsibility of the bidder. We do not package, load or ship. There will be no equipment, like forklifts, onsite to facilitate your lot

removal. It is up to you to hire a rigger or otherwise provide for the removal of your items.

Additionally, if you are moving items out of the country, please understand that we do not act as customs brokers. You will have to facilitate any and all paperwork involved with removing your items across borders.

While we do not work with or endorse any riggers, we can provide you with contact information for riggers who have requested that we do so. Currently we have not yet been on the premises for lot setup, so we have no names, but if you revisit this site closer to the sale, we will have some names posted.

IMPORTANT: Due to buyers being lax about removing their items in a timely fashion, we are implementing a \$500 per day fee for entry into the facility every day past the time allotted for check out.

GOOD LUCK AND HAPPY BIDDING!
