All warranties are valid until the warranty expiration date or engine hour reading listed above, whichever happens first. The length of coverage will be limited to the maximum allowable coverage for the new owner's intended application type. For purposes of the above referenced Serial Nos., sold at this auction, if the owner/purchaser is a commercial construction customer, the dates and hour limitations above are valid. The new owner will need to contact an authorized John Deere Construction & Forestry dealer in order to submit the paperwork necessary to transfer the warranty to their name. All coverage is non-refundable, may be subject to an additional fee if the equipment is not being purchased for use in a rental application and is subject to the terms of the applicable John Deere warranty.
